

# GOD ON MONDAY

REFLECTIONS ON CHRISTIANS @ WORK

BENNY TABALUJAN

For many Christians, the best portion of our waking hours are spent at work. But how do we integrate daily work into our walk of faith? In this book, Benny Tabalujan draws on more than two decades of experience as a lawyer and educator to reflect on critical issues such as: What is the purpose of work? Is the notion of a regular sabbath rest still relevant today? How do I juggle the demands of work, family and church? Should a Christian be competitive and ambitious? Does God call me to a specific career or job? What about evangelism at the workplace?
