In recent years, there has been unprecedented turmoil in the economies of the United States, Europe, and the world. While government and business leaders are looking for solutions, small business people and families are struggling to navigate through these troubled economic times every day.

Secrets of the Kingdom Economy gives not only a clear understanding of the economic times in which we live, but also provides practical Kingdom solutions for everyday life. These practical solutions will give you a roadmap that will enable you to flourish by finding God's wisdom and insight for your situation.

You will discover that:

- The Kingdom Economy does not suffer economic downturns.
- God is not a passive observer in the economic events of our day.
- Living by His principles always moves you from the ordinary to the extraordinary.

The testimonies of people daily operating in these Kingdom principles are proof that you can achieve a higher level of effectiveness, productivity, and financial stability!
