

My top twelve tools for marketplace leaders

Dr Mario Denton

01 Emergency checklist

In my career I have come across business leaders who are struggling to give solid direction in the times in which we are living. This checklist will help you ensure you follow the must-know's in times of a crisis.

02 Team effectiveness

It takes time to build a team and you can so easily break it down by appointing the wrong person or going in the wrong direction. Check where you are in your team effectiveness and close the gaps.

03 Pathways

How do you help a market-place leader to develop himself, his leadership and his organisation and ultimately assist him to become a Kingdom leader? Following this pathway can definitely help towards real transformation where you are.

04 Servant Leader

Do you honestly know what it is to be a servant leader and what the required qualities are? This questionnaire will help you to assess your qualities.

05 Kingdom company

A Kingdom company is different in terms of leadership, customer focus, its operational focus, as well as his employee focus. Find out where you are and identify the opportunities to close some gaps.

06 Marriage financial quotient

It is great to understand IQ, EQ (Emotional Intelligence) and SQ (Spiritual Intelligence). But what about your marriage financial quotient? Finances are one of the major problems in marriage and it is often difficult to handle this issue in an effective and efficient way.

07 Spiritual self-assessment

Being a self-assessment tool, FIRE is designed to help you measure your spiritual pulse and chart your progress in your walk with God in the workplace.

08 Parenting for life

This is crucial and something we need to do very often. The first part of parenting is self-management.

09 Heartbeat questions

Here are some vital questions to get to the heart of issues in the workplace. Do these reality checks from time to time.

10 Accountability

This is a tough one but is needed to prevent derailment. It will help you finish your calling.

11 Married for Life assessment

Are you playing your rightful role? Do you add value and really understand your role in the marriage? Do this self-assessment and see where you are in terms of marriage

satisfaction.

12 Character First assessment

Let's put God's character back into our lives. Don't compromise on these 49 character qualities.
