Transformation

Matt 6:9-10

"Our Father in heaven, hallowed be your name,
your kingdom come, your will be done
on earth as it is in heaven. "

Church

Nation

City

1. Transformation Must Begin with the Individual

Transformation - Websters

- Transformation means to “change the form of; to change in structure or composition; to change in nature, disposition, heart, or the like; convert. It means a thorough or radical change, whether in appearance or nature.”
- Not perfection or utopia
- Individual or city

First NT Transformer

The Samaritan Woman

Personal acquaintance

- Jesus changed her paradigm. Talked to a woman. (Jews & Samaritans – workplace & faith)
- Jesus gave a Word of Knowledge about her life. *Supernatural in the marketplace.*

“Many of the Samaritans from that town believed in him because of the woman's testimony, “He told me everything I ever did.” So when the Samaritans came to him, they urged him to stay with them, and he stayed two days. And because of his words many more became believers.” -- John 4:39-41

Sequence of transformation

- Woman believed.
- Shared her experience.
- People had personal experience with God.

City impacted!

Miracle in Lydda and Sharon Leads to a Transformed City

Acts 9:32-35

- As Peter traveled about the country, he went to visit the saints in Lydda. There he found a man named Aeneas, a paralytic who had been bedridden for eight years. "Aeneas," Peter said to him, "Jesus Christ heals you. Get up and take care of your mat." Immediately Aeneas got up. **All those who lived in Lydda and Sharon saw him and turned to the Lord.**

One of the First Requirements

- The people must invite God into their city.

So when the Samaritans came to him, they urged him to stay with them, and he stayed two days. (Jesus left some cities because He wasn't welcome and their unbelief).

Repentance of the City

“Then Jesus began to denounce the cities in which most of his miracles had been performed, because they did not repent.” -- Mt. 11:20

Jesus' 4 Bs of Transforming a Life

1. **Bless them.** Fellowship with the unrighteous. i.e. Jesus
2. **Be** the source to meet physical need.
3. **Begin** praying for them
4. **Bring** the Kingdom of God to them. Share the gospel.

Gerry – Feb 06

**2. City Transformation Requires
Bringing the Presence
of God into the City**

What are the requirements?

Ex 33:15-16

- **Then Moses said to him, "If your Presence does not go with us, do not send us up from here. How will anyone know that you are pleased with me and with your people unless you go with us? What else will distinguish me and your people from all the other people on the face of the earth?"**

Transformation DNA that Attracts God's Presence

1. Prayer –God’s Commitment to Solomon

“... if my people, who are called by my name, will humble themselves and pray and seek my face and turn from their wicked ways, then will I hear from heaven and will forgive their sin and will heal their land.

2 Chron. 7:14

2. Humility

***He guides the humble in what is right
and teaches them his way. Ps 25:9***

**“Now Moses was a very humble man,
more humble than anyone else on the
face of the earth”.- Num 12:3**

Voluntary or Involuntary

3.Unity with God

*This is what the LORD says: "Let not the wise man boast of his wisdom or the strong man boast of his strength or the rich man boast of his riches, but let him who boasts boast about this: that he **understands and knows me**, that I am the LORD, who exercises kindness, justice and righteousness on earth, for in these I delight," declares the LORD. Jer 9:23-24*

Unity: With Each Other

*I have given them the glory that you gave me, that **they may be one** as we are one: I in them and you in me. May they be brought to **complete unity to let the world know** that you sent me and have loved them even as you have loved me.*

John 17:22-23

Knowledge of God's Ways

David and the Tabernacle

- When they came to the threshing floor of Nacon, Uzzah reached out and took hold of the ark of God, because the oxen stumbled. The LORD's anger burned against Uzzah because of his irreverent act; therefore God struck him down and he died there beside the ark of God. Then David was angry because the LORD's wrath had broken out against Uzzah, and to this day that place is called Perez Uzzah.

David and the Tabernacle

- David was afraid of the LORD that day and said, "How can the ark of the LORD ever come to me?" He was not willing to take the ark of the LORD to be with him in the City of David. Instead, he took it aside to the house of Obed-Edom the Gittite. The ark of the LORD remained in the house of Obed-Edom the Gittite for three months, and the LORD blessed him and his entire household. - 2 Sam 6:6-8

David's Error

It was because you, the Levites, did not bring it up the first time that the LORD our God broke out in anger against us. We did not inquire of him about how to do it in the prescribed way."

1 Chron 15:13-14

“For I can testify about them that they are zealous for God, but their zeal is not based on knowledge.” Romans 10:2

City Transformation “Trinity”

foundation of the
apostles and prophets,
with Christ Jesus
himself as the chief
cornerstone.

The Inbred Congregation

Danger of “Pastor” office-led congregations

- Called to care for sheep
- Inward focus
- Maintain status-quo
- Time consumed with “herding the sheep”

Head or Tail?

The LORD will make you the head, not the tail. If you pay attention to the commands of the LORD your God that I give you this day and carefully follow them, you will always be at the top, never at the bottom. Do not turn aside from any of the commands I give you today, to the right or to the left, following other gods and serving them. Deut 28:13-14

The Marketplace and the Church Must Come Together to Bless the City with Practical Initiatives that Benefit the City

Key Principle

The Church must become a blessing to the city and its governmental leaders to have influence through practical acts of kindness.

Authority comes from serving.

“Influencers vs Separatists”

“Blessing vs Criticism”

How the Church in the City Will Fulfill DT. 28:13 "Head vs Tail"

"Gideon 300 Project"

Kong Hee and his wife, Sun Ho, founding leaders of City Harvest Church, the largest church in Singapore

- Sun Ho, a musician and the worship leader at the church, felt that the Lord was calling her to move into the marketplace by entering the pop-music field.
- She is the most popular singer in China
- Topped the charts twice in the United States and twice in the United Kingdom, the first Asian to do either.
- Using her wealth and influence to build a modern school building in each of China's 13 largest cities; two are already completed. The Chinese government admires Sun Ho so much that it has issued a commemorative postage stamp honoring her.

Tactical Strategies

Knowledge of the City's History

Spiritual Mapping

- Repentance

Onsite prayer walking

Unity building activities

- Events – Conferences, AOK (acts of kindness), Stadium Prayer, marketplace luncheons, small groups – UNITE

Note: The process of working toward common goals builds unity if built on prayer and humility (love and servanthood).

4. Transformed Cities & Nations

Is it possible?

Prov. 22:29

He will serve before kings; he will not
serve before obscure men.**

Could we see transformation again? Jeremiah Lanphier

- A Church on Fulton Street – New York City equipped a person in the marketplace and released him.
- He began noon-day prayer meetings – 6 in first meeting.
- 30,000 meeting daily within 6 months.
- 1 million came to Christ =
- Same pattern is starting today.

Equivalent salvations today: 30 million!

Transformed Communities

Amolonga, Guatamala

- Community of 20,000
- 20 yrs ago no Christian witness
- Some pastors came and began to fast and pray **in a small group** over the community strongholds
- Poor agriculture – 4 truckloads a month, poor land
- God began to move

Amolonga, 20 Years Later

- 90% Christian population
- No jails
- Lots of churches
- Transformed economy – 40 truckloads of produce a week, Mercedes trucks for cash, Christian slogans
- Produce 4-5 times size of normal produce.

Newspaper Headlines

“Transformed”

- “City offices and businesses close for day of prayer”.
- “Crime down 60%.”
- “Jobless rate at all time low!”
- “Churches unify to serve the needy. Build youth Centers.”
- “City-wide prayer gathering cited as key to changes in the city.”
- “City cited as model city for community transformation”

Discussion Questions

1. Read Proverbs 22:29. ***Do you see a man skilled in his work? He will serve before kings; he will not serve before obscure men.***
2. The story of the businessmen who funded orphans relates how he solved a problem for other small businessmen and a problem in society. Why is social entrepreneurship a key to city and nation transformation?
3. The government of China solved a problem by seeking out the ICCC to provide training for its people in the new market-driven economy. Although ICCC had never done such a project, it was able to meet a need and impact a nation. What lessons can be learned from this example?

An Audience of One

Do not conform any longer to the pattern of this world, but be transformed by the renewing of your mind. Then you will be able to test and approve what God's will is—His good, pleasing and perfect will (Romans 12:2).

What audience do you play to? Each day you are seen by many who will make a judgment about the way you handle yourself among different audiences. Politicians have learned to play to their audiences, customizing messages for the needs of their particular groups. Musicians have learned to play to their audiences. Pastors play to their congregations each Sunday morning. Workplace believers play to the audiences who will buy their product.

Christ has called us to play to one audience - the audience of Himself. When you seek to please any other audience in your life, you become susceptible to situational ethics and motivations based on the need for the moment. Your audience becomes a pawn in your hands because you know what they want. Is that wrong? Sometimes it is, sometimes it isn't.

Pure obedience to pleasing God in our lives will often meet the needs of those around us. It is God's will that you and I love our spouses, provide good services to our customers, and look to the interests of others before ourselves. This will result in meeting many needs of the audiences in our lives.

However, there are other times when our audiences are asking for something contrary to God's will. Politicians are often forced to appease their audiences, even though it may go against God's laws. When we are asked to go with the flow, we discover which audience is most important in our lives. Is it the audience of One, or the audience of many?

Today, be aware of which audience you are playing to. Ask yourself why you are taking a particular action. Is it to please the audience of One? Or is it to please the audience of others who might negatively impact you should you not play to their tune?

Factoids

■ A San Francisco radio station survey revealed that 80% of respondents stated they were dissatisfied with their work.

■ A Wall Street Journal survey revealed a 50% dissatisfaction rate among executives and 80% dissatisfaction rate among general workplace population. Among 500 surveys conducted with Christians through *Your Work Matters to God II* revealed a 50% dissatisfaction rate.

■ "Twelve years ago we could only identify about fifty workplace ministries. Today we can identify more than one hundred ministries that are national or international." — *Os Hillman, International Coalition of Workplace Ministries*

■ A *GrindUp Poll* taken in the workplace asked this question: How often do you discuss spiritual issues in the workplace? An incredible 50% of the people said they had discussed spiritual issues in the last 24 hours.

"Much of our culture has a distinctly Greek view of work: We work out of necessity. But, you see, we are made in the image of God, and as such we are made to work—to create, to shape, to bring order out of disorder."
— *Chuck Colson*

"The most common self-inflicted put-down is 'I am not a pastor—I am just a layperson.' This is all part of a clever satanic scheme to neutralize apostles, prophets, evangelists, pastors and teachers along with the entire army of disciples, already positioned in the marketplace."
— *Ed Silvers, Associate for Business*

"We have attempted to transform our cities for years without success. I now believe the reason is because pastors and church leaders do not have the authority to do so. That authority lies within those leaders in the workplace. When we recognize and affirm the apostles in the marketplace we will begin to see the transformation of cities."
— *Dr. Peter Weppers, Chancellor, Weppers Leadership Institute*

Quotables

"Every human life is made to fit some place, and there is a place for every life. The lives and the places are made for each other that they may serve the purposes of the God who made them."
— *Art Crevier, founder of Cross-Care*

The Special 2-Day Advanced Called to the Workplace Workshop

"This is probably the best seminar I've been to which leads workplace believers through a teaching of life's purpose and meaning in the context of Old Testament saints and Bible stories, Os leads individuals to a point of decision and action to make your life count and to live for a cause greater than yourself. He has custom made this seminar for workplace believers--it has been a formative step in my own journey." Clark Driscoll, Woodstock, GA

The **Advanced 2-Day Called to the Workplace Workshop** is specially designed to take participants in-depth with the material presented in the one day workshop. The workshop will be taught by Os and Angie Hillman, Jan Christie, director of intercession for Marketplace Leaders, and Johnny & Elizabeth Enlow, pastors of DayStar Church in Atlanta.

Death and Birth of a Vision

By Os Hillman

Powered By [Marketplace Leaders](#)

I tell you the truth, unless a kernel of wheat falls to the ground and dies, it remains only a single seed. But if it dies, it produces many seeds. - John 12:24

Almost every significant thing God births He allows to die before the vision is fulfilled in His own way.

- Abraham had a vision of being the father of a great nation (birth). Sarah was barren and became too old to have children (death). God gave Abraham and Sarah a son in their old age. He became the father of a great nation (fulfillment).
- Joseph had a vision that he would be a great leader and that many would bow down to him (birth). Joseph's brothers sold him to some merchants and he became a slave. Later he was falsely condemned to spend his years in prison (death). God allowed Joseph to interpret the dreams of the butler and baker and later the king, whereupon, he was made a ruler in the land (fulfillment).
- Moses had a vision of leading his people out of the bondage of Egypt (birth). Pharaoh as well as his own people drove Moses out of Egypt after Moses' first attempt to relieve their bondage (death). God gave Moses signs and wonders to convince Pharaoh to free the people and bring them out of Egypt and into the Promised Land (fulfillment).
- The disciples had a vision of establishing the Kingdom of God with Jesus (birth). The very ones He came to save killed Jesus, and the disciples saw Him buried in a tomb (death). God raised Jesus

Church-based Workplace Ministry

Church-based Workplace Ministry

"Os Hillman is arguably the most broadly informed of today's workplace ministry leaders.."

Dr. Peter Wagner, Chancellor, Wagner College

Are you a pastor or church leader wanting to know how to integrate workplace ministry inside your local church? If so, let us show you a few ways we can help.

First, we encourage you to read *The Faith@Work Movement: What Every Pastor and Church Leader Should Know* by Os Hillman ([click here](#)). This book will answer every question you have about how to integrate workplace ministry inside the local church. The key thing to know is that workplace ministry is not another ministry inside the local church; it is part of your DNA, or philosophy of ministry. This book will help you understand what that looks like. It will explain why, and how, church-based workplace ministry includes historical and factual data, case studies of churches, sermon ideas, a bibliography, practical examples of faith and work, scriptures on the topic of faith and work, and much more. [Click here for Wagner's foreword.](#)

"An excellent resource for the Body of Christ and a great encouragement to see...
