A Talking Donkey

TGIF Today God Is First by Os Hillman
\$\$DATE\$\$

The donkey said to Balaam. "Am I not your own donkey, which you have always ridden, to this day?" - Numbers 22:30

Most workplace believers I know tend to be task-oriented, motivated visionaries. And they will do just about anything to make their projects successful. This great strength can, if not properly bridled by the Holy Spirit, be a great weakness in their ability to fulfill God's will in their life.

Sometimes we want something to succeed so much that we fail to listen to that little voice inside trying to warn us by directing us on a different path. Such was the case of Balaam. He started out as a man of God, but then took the path of a "prophet-for-hire." God was not pleased with Balaam's decision to respond to a pagan king's request that he curse Israel. As Balaam rode his donkey to keep his appointment with the king, God sent the angel of the Lord to stand in the way and oppose Balaam. Although Balaam did not see the angel, his donkey did. Three times the donkey turned from the path and three times Balaam beat the animal in anger. Finally, the donkey turned around, and to Balaam's shock and amazement, began to speak to him, admonishing his master for beating him. Imagine a donkey talking to you! He warned Balaam of the angel of death who was standing in the road with a sword drawn, ready to kill Balaam if he continued.

There are times when pushing harder, trying to manipulate the circumstance, or pressing those around you is not the response to have to the roadblock. God may be trying to have you reconsider your

Stressed at Work

"Well" says the balloonist, "everything you have told me is technically correct, but it's no use to anyone."

The man below says, "You must work in Management".

"I do" replies the balloonist, "but how did you know?"

"Well", says the man, "you don't know where you are, or where you're going, but you expect me to be able to help. You're in the same position you were before we met, but now it's my fault."

Management vs IT

A man is flying in a hot air balloon and realizes he is lost. He reduces height and spots a man down below. He lowers the balloon further and shouts:

"Excuse me, can you tell me where I am?"

The man below says: "yes you're in a hot air balloon, hovering 30 feet above this field."

"You must work in Information Technology," says the balloonist.

"I do," replies the man. "How did you know?"

The role of Intercessory Prayer in Workplace Transformation

The Role of Intercessory Prayer in Becoming a Workplace Transformer

“Epaphras, who is one of you and a servant of Christ Jesus, sends greetings. He is always wrestling in prayer for you, that you may stand firm in all the will of God, mature and fully assured” (Colossians 4:12).

◆ Isa 48:17-18

Thus says the LORD, your Redeemer, The Holy One of Israel: "I am the LORD your God, Who teaches you to profit, Who leads you by the way you should go. Oh, that you had heeded My commandments! Then your peace would have been like a river, And your righteousness like the waves of the sea. NKJV

“Good Things” vs “God Things”

Jesus never did anything He did not see the Father doing.

On April 10, 2007, Christians across Cumming and Forsyth County, Georgia began coming to twice a month to begin a prayer initiative for the needs of our local community.

The purpose of **PrayForsyth** is for the Christian community that lives and works in Cumming/Forsyth County to come together across denominational lines to pray for the needs of Forsyth County and the city of Cumming, asking for God's intervention here.

Mr. Marketplace -

March 9, 2001

Last year I bought my husband Today God Is First after I talked to you on the phone about what might be most helpful to him. At the time he was going through a real wilderness experience with both his family and business. He told me after he started using it that it's the best devotional he's ever used, considering that he is both a family man and a businessman. So I've given it for gifts since then, and sent copies last month to both President Bush and Vice President Cheney, along with a note letting them know that we pray for them every day.

Well today –while I was out doing errands! A woman from Vice President Cheney's office called our house and told my husband thank you, and how nice the Vice President thought it was that we sent the book. Our number is unlisted, and I guess I thought it would have been something if we had even gotten a pre-fab snail-mail note. So -- that was pretty amazing! I don't know if the Vice President's using it every day, but he got it and saw it as a positive gift.

I thought it might encourage you to know.

Blessings to you and and your ministry... BW, Arlington, WI
