In 1997, Atlanta businessman Os Hillman began writing a daily e-mail devotional featuring 4-minute meditations on faith and work life. For men and women in the workplace, this was just what they needed: practical help in applying their faith to their work life, encouragement to live out their faith, empowerment to be more effective in their jobs, support to become powerful witnesses at work, and examples of others who experienced the presence of God at work. It has since become one of the fastest growing e-mail devotions on line. Now Hillman has written his second book of devotions. *TGIF* includes 365 all-new daily meditations, plus a bonus topical index to find devotions that relate to specific topics such as motives, handling disappointments, adversity, integrity, finances, decision-making, and much more. Whether for individual quiet times, Bible study groups or workplace groups, these daily devotions will help men and women fulfill God's call on their lives in the workplace.
