"I have just finished reading Faith & Work: Do They Mix?. Thank you so much for writing it and making it so readily available. Having recently read Ed Silvoso's book, Anointed for Business, I was prepared for yours to be similar. However, I found your book to be very complementary and to go much deeper regarding individual Christian's walk in the marketplace. Both books are inspirational and were a real revelation to me." Dennis - Australia

Discover God's promises for your work. When you go to work on Monday, do you take your faith with you? Whether you're in an office, on a construction site, or at home, we all need to experience God in our work. This valuable resource brings the reader to a greater understanding of what God thinks about our work, how He calls us to our trade, and how we can bring our faith along with us on Monday mornings. This book will encourage you to find purpose and meaning in your work life!
