ITN is a worldwide strategic alliance of marketplace and pulpit ministers from all walks of life who Pray, Partner & Participate. ITN is focused on developing transformational, God-honouring solutions to the systemic social, economic, educational, and governmental ills facing the nations of the world, in essence to see the will of God done on Earth as Jesus taught us. Joining ITN is also your entry point into the Transformation Continuum, a series of strategically aligned, member-only vehicles designed to maximize your impact. We invite you to join the ITN family of ordinary people doing extraordinary deeds to bring God's goodness, peace and joy to the world.

Through the presence and influence of ITN members:

- In Ciudad Juárez, Mexico, the murder rate decreased by 90% in the last two years.
- Vallejo, California's first bankrupt city, has emerged from bankruptcy and is becoming a model for economic recovery and innovative generosity.
